Invitation to the online meeting of the colloquium Astronomy and Anthroposophy

Saturday, June 2020

11.00–12.00 John Paul, Elisabeth Vreede: Life and Times, and "Tarnkappe".

This presentation will consider some aspects of the life and times of Elisabeth Vreede. She was one of the 'chosen' of Rudolf Steiner. Later she characterised herself as having a "Tarnkappe", an invisibility cloak. She styled herself as "Dr Elisabeth Vreede". The movement to which she devoted her life expelled her. Some aspects of the life and turbulent times of Elisabeth Vreede are examined, and feedback is invited.

Dr John Paul is a social-environmental scientist based at the University of Tasmania. He has been a visiting academic at Oxford University and he is a regular visitor and keynote speaker in Europe. Some of his publications are available at <http://utas.academia.edu>.
